Presbyterian Night Shelter

Serve Meals

Prepare and serve dinner at the following locations: Main Shelter, Safe Haven, Patriot House and Morris Foundation Women and Children's Center. Additionally, there is an opportunity to serve lunch at True Worth Place. These opportunities are available seven days a week. Volunteers can also choose to cater meals for our guests.

In-Kind Donation Organizing

Over the course of a year, we receive over 300,000 in-kind donation items that must be sorted and organized across campus. Opportunities include:

- **Dispensary organization:** Work in our dispensary, where we distribute toiletries to guests in our Main Shelter, Morris Foundation Women and Children's Center, and True Worth Place

- **Warehouse Organization:** Work in our warehouse, where we store and sort all in-kind donations and distribute them to programs as needed

Sandwich Makers

You or your group can assist us in making alternative lunches and dinner for our guests that may have a job off-site (on average, 250 to 500 individually packaged items are requested per group). The sandwiches can be dropped off seven days a week from 9 a.m. to 6 p.m., or you can make the sandwiches in our Main Shelter cafeteria.

Children's Enrichment Activities

There is a significant need for enrichment activities for our homeless families. We welcome volunteers who would like to assist us in finding creative and engaging activities for our families. Examples include but are not limited to game nights, arts and crafts and music enrichment.*

Interior/Exterior Beautification

During the course of the year, there will be opportunities to refresh multiple areas of the shelter.

True Worth Place

Mail Room

Receive and sort mail for guests using True Worth Place as their address. Mail is distributed to guests twice a day.

Front Desk

Volunteers at the front desk welcome guests into the building and offer assistance with any general questions about True Worth Place and its' services.

Laundry

Guests have the option to drop off their laundry in the morning. Volunteers wash, dry, fold and label each guest's laundry for pick up in the afternoon.

Life Enrichment Classes

True Worth Place offers a variety of life enrichment classes that guests can participate in daily. There are opportunities to volunteer in current classes (e.g. book club, chess club, and knitting, among others) or coordinate with the True Worth Place Education Coordinator to develop a new class.
